

Comparing Cats and Dogs

Think about how the parts of a cat are similar to or different from the parts of a dog. Cut out the descriptions and stick them in the correct space.

|  <p>Cat</p> | Body Part |  <p>Dog</p> |
|--|---------------|--|
| | ← ears → | |
| | ← eyes → | |
| | ← nose → | |
| | ← mouth → | |
| | ← whiskers → | |
| | legs and paws | |
| | ← tail → | |
| | ← fur → | |

Cut out and stick these descriptions in the correct place.

| | |
